

### QUICK REFERENCE GUIDE

June 12, 2020

# PLAYERS

This checklist has been created to help you, as a player, stay within the guidelines of Baseball Ontario's Return to Baseball for practices, try-outs, camps, clinics, and training sessions for 2020. The Checklist will be updated as the Province moves towards opening up for game play.

- Do not attend if you have any flu-like symptoms, coughing, sneezing, fever, etc.
- Do not attend if you have been in contact with anyone who is sick or not feeling well, or if you fail the self-assessment.
- Physical Distancing is always in effect.
- Practice physical distancing by staying a minimum of two (2) meters or 6 feet away from other people, if possible, except for brief exchanges.
- Key baseball training situations to avoid, include Catcher/Hitter, 1st base/runner, Tag plays/drills

#### WHAT YOU NEED TO DO:

- Follow all Signage instructions
- Always maintain Physical Distancing, except for brief exchanges
- Limit the touching of your own face while in public
- Sanitize your hands before, after and during each training session
- Shower when you get home after each training session
- Wash your clothes and uniforms when you get home after each training session
- Follow all First Aid protocols and safeguards for any required treatment, including physical distancing

#### WHAT NOT TO DO:

- No using saliva to moisten hands or fingers
- No sharing of water bottles
- No sharing of food of any kind
- No spitting, No chewing gum, No sunflower seeds
- No sharing of personal helmets
- No sharing of catcher's masks
- No sharing of any other equipment
- No sharing of personal items like sunglasses or ball caps
- Offensive players never touch the baseball
- Do not shake hands or high five to celebrate, a tip of the cap will do
- Do not loiter in the parking lot before or after your session

Thank you for your dedication and cooperation. Have a great summer of baseball!
